## Quarantine for the beginning of Cloister Time

Previous documents describing details of quarantine arrangements: [link](#).

**Please read this section on quarantine carefully if your son is returning to the UK in April for the beginning of Cloister Time. If you have not already done so, please would you complete this [form](#) whether or not your quarantine arrangements in April are at Winchester College.**

### Quarantine at Winchester College

If you have signed up, or would like to sign up for our quarantine facility, then you must complete [this](#) form to book the **test to release** with our testing partners, Diagnostics for the Real World (DRW). It is an official form and part of the government's **test to release scheme** and needs to be signed. Please print it out, complete **in the name of the pupil** and scan it and return it to Mrs Cullerne ([kkc@wincoll.ac.uk](mailto:kkc@wincoll.ac.uk)). The charges for this test, and the test at entry to our quarantine facility, are included in the quarantine facility fee of £1350.

Advice on completing the form:

- You will need to complete the top half of the form.
- In "Self-isolate address" section, please put Winchester College.
- In the "Referred by" section, please circle Travel.
- Please don't worry about the NHS number. We will complete that section.
- Please put Dr John Cullerne and [jpc@wincoll.ac.uk](mailto:jpc@wincoll.ac.uk) into the section "Name of Referring person".
- Please don't forget to print name and sign **in the name of the pupil**. Please leave the date blank so we can fill it in on the day the test is done.

Once we have your DRW form we will provide you with a DRW test reference number, which you will need to complete your **passenger locator form**. You must complete the passenger locator form online before you arrive in the UK (here is a [link](#)). You can submit the passenger locator form any time in the 48 hours before your son arrives in the UK.

### Pupils from Red List countries

Pupils returning from [Red List](#) countries may use our quarantine facility, but cannot use the **test to release scheme**. They will quarantine separately from the other arrivals and must complete their 10 days of self-isolation.
