

**Makyth Ventures** is Winchester College's entrepreneurship & innovation hub, aimed at fostering **entrepreneurial skills and mindsets** amongst secondary school students to best prepare them to thrive in a world of rapid change.

Some students want to be scientists. Some want to be screenwriters. Some want to be both. Others, neither. **Regardless of what students want to be, they want to make a difference in the world.** Makyth Ventures can help.

## UNIQUE BENEFITS FOR STUDENTS

[makythventures@wincoll.ac.uk](mailto:makythventures@wincoll.ac.uk)

### Professional skills

Work with - and compete against - peers from leading secondary schools across the UK; gain exposure to new ways of working and collaboration.

### Entrepreneurial experience

Immersive programming from Winchester College's Makyth Ventures team aimed at helping you build foundational entrepreneurial skills and mindsets.

### Practical, applicable problem solving

Tackle a real-world entrepreneurial case challenge; access support from practitioners across the entrepreneurial ecosystem.

### Long-term support & exposure

Ongoing support for winning teams, with the ambition of bringing case solutions to life following the Makyth Ventures Ignite programme.

# MAKYTH VENTURES IGNITE PROGRAMME OVERVIEW
