

WINCHESTER
COLLEGE SOCIETY

Overview of Wykeham Links

Wykeham Links is the hub where pupils can connect with online mentors to seek advice about their future. It will go live during the week beginning 15 May.

Use Wykeham Links if you are:

An **Old Wykehamist** seeking or offering advice;

A current **Wykehamist in VIth Book**;

A **Parent** who is prepared to offer advice;

The Win Coll Soc membership is huge and varied. Parents and Old Wykehamists alone comprise a pool of over 10,000 members. Please make the most of Wykeham Links to guide the futures of Wykehamists.

TJs and Protégés

You should be familiar with the terms Tégé (abbreviated to TJ) and Protégé used to describe a guide and their apprentice in their first few weeks at Win Coll. These uniquely Wykehamical terms fit well with the spirit of Wykeham Links and will be used in place of Mentor and Mentee throughout.

Sign up as a TJ

We encourage all OWs and Parents to sign up as potential advisers on Wykeham Links. You can control what you sign up for and whether to make contact when approached. You will be able to access a user guide when the site goes live.

'Ask a TJ' is where pupils will seek advice.

For advice in general or in detail, please search our database of TJs.

University guidance. As a Wykehamist in VIth Book you might want to get inside knowledge about universities or courses you are considering. Please search the database of current OW undergraduates. We will encourage all leavers who go to university to sign up as potential TJs

Career Guidance. Wykehamists and Old Wykehamists can ask a TJ for specific or general advice about careers or employers.

More information is in the *Ask a TJ User Guide*, which can be accessed from the live site.
